The Nusa Dua area is known as Bali's tourist enclave. There's one exceptional gem there: the Nusa Dua Theatre and the incredible **DEV DAN performance**, which showcases "God's Grace," the gifts God has bestowed upon Indonesia. You'll experience a journey through various regions of Indonesia, showcasing beautiful traditions and diverse customs and cultures. A unique and fascinating spectacle ! Acrobatics, music, water, and fire!

**Devdan Show** is a performance combining traditional Indonesian dance with elements of modernity and advanced technology. Devdan Show tells the story of Indonesia's rich cultural journey, showcasing diverse dances from different regions of Indonesia, such as **Bali, Sumatra, Java, Borneo, and Papua**, as well as showcasing Indonesia's cultural diversity and natural resources.

In our opinion, the best cultural show in Bali!

**RECOMMENDED  
FOR GROUPS!!!**

**Enjoy a sunset dinner** at Serangan, Benoa, in the beautiful Nusa Dua area of Bali. Upon arrival at the port, we board a comfortable cruise ship ready to take us on a relaxing evening cruise along the coast.

Live music played by a DJ sets the mood, creating a fun and lively atmosphere. Some of us head straight to the swimming area for a refreshing dip, while others relax on the deck, take photos, and enjoy the sea breeze and scenic views.

A delicious buffet dinner is served on board, offering a variety of local and international dishes. We gather at the tables and on the deck to eat, chat, and share the experience. The boat's lights reflect on the water, adding to the magical atmosphere of the cruise.

As the music plays and the boat glides smoothly across the sea, we dance, laugh, and admire the beauty of Bali from the water. It's an unforgettable evening filled with food, music, and great company—an unforgettable part of our trip.
